RESERVE BANK OF INDIA VISIT

OUTREACH ACTIVITY

FINANCIAL INSIGHTS

- The visit made the students aware about the functioning of RBI from a practical point of view.
- It helped the students to understand the process of formation & implementation of the Monetary Policy (twice a year).
- The students understood the importance and working of various money market instruments as well as dealing in short term funds.
- Students got to know the various Banking Acts and the Legal matters involved in the working of RBI.
- This visit helped to inculcate interest and inquisitiveness amongst the student community and thus ended up having a basic knowledge about the **Apex Monetary Institution** of India.
