Memorandum of Understanding (MoU)

Between

University of Engineering & Management, located at Gurukul, Sikar Road near Udaipuria Mod, Jaipur, Rajasthan 303807 under the aegis of The UEM Center for Sustainable Innovations for Clean Future (SICF), hereinafter referred to as "The University"

And

Zylm Energy Pvt Ltd, located at 128A, Ashok Marg, Girnar Colony, Block E, Vaishali Nagar, Jaipur, Rajasthan 302021, hereinafter referred to as "The Industry"

This MoU is entered into on this 30/01/2025 by and between UEM, Jaipur under the aegis of SICF, UEM, Jaipur and Zylm Energy Pvt Ltd, Jaipur, with the intent to foster collaboration in education, research, and training.

Purpose

The purpose of this MoU is to establish a framework for mutual cooperation between the University and the Industry to facilitate:

1. Student visits to Industry facilities for practical exposure.
2. Internship and training opportunities for students at the Industry.
3. Access to Industry's lab facilities for student and faculty projects, if required.
4. Skill development and knowledge sharing between academic and industrial domains.

Scope of Collaboration

1. Student Visits

- The Industry agrees to host students from the University for factory/facility visits, providing them with real-world exposure to industrial processes and practices.

2. Internships and Training

- The Industry will offer internships and training programs to University students, ensuring hands-on experience and practical learning.
- Training schedules and content will be mutually decided to align with the students' academic curriculum.

3. Lab Access

- The Industry agrees to provide access to its laboratory facilities for students and faculty members for project work or research purposes, based on prior approval and mutual consent.

4. Knowledge Exchange

- The University and the Industry will collaborate on skill development programs, guest lectures, and workshops to enhance students' understanding of industry trends and technologies.

Responsibilities of the University

1. Identify and nominate eligible students for visits, training, and internships.
2. Coordinate with the Industry to schedule visits, internships, or lab usage in advance.
3. Ensure students adhere to the rules and safety protocols of the Industry during their visits or internships.

Responsibilities of the Industry

1. Provide opportunities for students to visit facilities and gain industrial exposure.
2. Facilitate internships and training programs for students with necessary resources and mentorship.
