MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter referred to as MOU) signed on the ____day of, 2019 at Jaipur.

BY & BETWEEN

Regional Telecom Training Centre (RTTC), BSNL, Jaipur, (henceforth referred to as **RTTC**), represented by O/o DGM, RTTC, which expressions shall unless repugnant to the context of meaning thereof include their successors and permitted assignees of the **FIRST PART**.

AND

University of Engineering & Management, Jaipur (Henceforth referred as **UEM, Jaipur**). UEM Jaipur has achieved the awards of "Best Private University in North India" and "Best Emerging University in North India". having its campus at "GURUKUL", 6 kms from Chomu on Sikar Road (NH-11), Udaipuria Mod, Jaipur-303807, Rajasthan assignees of the **SECOND PART**.

Collectively referred to as parties.

1. Description of Institutions:

UEM, Jaipur:- UEM Jaipur was established in the year 2011 by Ordinance 11 of 2011 and Act No 5 of 2012 of Govt of Rajasthan. UEM Jaipur has achieved the awards of "Best Private University in North India" and "Best Emerging University in North India".

UEM Jaipur has been established by the IEM group, Kolkata. The IEM UEM group is an acclaimed educational group amongst the industry-centred academic training organisations of today. IEM has set sublime standards in addressing the technical and managerial resource shortage in the new era of dynamic globalisation. The IEM UEM group has risen to fame for its strong foundation in teaching and R&D in multifaceted areas. It aims to serve the future generation as well as the Nation through its commitment towards self sufficiency and unmatched excellence.

Since its inception, the IEM UEM group has surpassed innumerable benchmarks of achievements and accreditations. Today IEM flaunts a colossal network of expansive operations led by an awe-inspiring student force who are the torchbearers of a better tomorrow.

The IEM UEM Group has opened up the doors for young minds who dare to dream. It encourages the spirit of free enquiry and imagination. In this temple of learning, dreams

take shape. The educational group attempts to inculcate the sense of human values and discipline in students to make them respectable human beings. It encourages learners to learn, to realize their potential and imbibe the best practices.

Right from its inception the placement cell of UEM has consistently provided for 1 to 2 jobs on average for all its students.

i) UEM Jaipur won the International "Best Engineering Institute Award" under the "Education Leadership Program" of "Golden give Tigers Award", 2017

ii) UEM Jaipur won the "Education Excellence Award" from "Competition Success Review" in 2017

iii) UEM Jaipur won the "Best Private University in Rajasthan" Award from "Prime Time", NDTV in 2017

iv) UEM Jaipur students won the 12th position out of 300 participant colleges all over the world in the prestigious International "Mega ATV Championship"

v) The educational group has one of the strongest Placement Cells in the country. Right from its inception both IEM and UEM have provided for 1 to 2 jobs on an average for all its students. The same story has been repeated even in the year 2016 with all students of both IEM and UEM getting 1 to 2 job offers on average.

RTTC, Jaipur: -RTTC is a premier telecom training institute in the field of Telecom Technology and Management. The strength of RTTC, Jaipur is training infrastructure having the State of the art labs in the field of telecommunication. RTTC, Jaipur is having labs on wireless communications-2G, Microwave transmission systems, wired communication-Switching systems of analog and digital technology-CDOT, New generation technology switching, Optical Fibre transmission technology system-PDH, SDH, FTTH, computer technology network-broad band, internet, Enterprise Resource Planning and expert faculty on these subject.

2. Objective

- (II) **UEM, Jaipur and RTTC,Jaipur** (on behalf of BSNL) agree to get into a joint venture arrangement with an objective to provide state of art skill based certificate courses on IP Networking and Cyber security, Mobile communications and optical fiber communication to engineering students .This skill based human capacity building program aims to provide competency based employability enhancement skills and hands-on skill training on IP Networking and Cyber security, Mobile communications and optical fiber communication.

This course is aimed at uncovering the potential of our engineering cadre and presenting this talent to meet the challenges before the Telecom sector. It aims at creating efficient

and knowledgeable engineers and managers, who will be engaged in making India a world-class player in the area of Technology Management. The cardinal objective of these course is to impart theoretical and practical inputs to students in order to mold them into different technology professionals and Techno-Managers. The courses will be designed to cover all the major aspects of technology to be followed by in-field hands-on practical training.

Apart from these certificate course Internship and Industrial visit to engineering students are the also be the part of this MoU.

3. Area of Collaboration:

RTTC, Jaipur is entering into a joint venture agreement with **UEM, Jaipur** in IP Networking and Cyber security, Mobile communications and optical fiber communication to jointly offer high end training at **UEM, Jaipur** sprawling campus in Chomu, Jaipur. The course is specially focused on practical application and on ground implementation of the technology blended optimally with a management perspective wherever necessary so as to bridge the gap between academia and Industry.

4. Administration

The Authorized Signatories of both **UEM, Jaipur** and BSNL shall manage this Memorandum of Understanding and all endeavors that derive from it. There will be a "Joint Co-ordination Committee" comprising of both **UEM, Jaipur** and BSNL, will be in-charge of execution of the program end-to-end. Their designated representatives will be responsible for developing and carrying out a joint plan and regular reports on the implementation of this Memorandum of Understanding. Any activity proposed that does not fit into the general terms of this Memorandum of Understanding will be formally incorporated as an addendum to this MoU, provided the addendum is agreed to and signed by both the parties.

For the purpose of facilitating the implementation plan of this MOU, both the parties agree to have regular communication and correspondence. The program will be launched from an earliest mutually agreed date.

5. Specific Role and Functions of the Parties:

This section covers the scope of work for BSNL for all the courses and/or batches conducted at UEM, Jaipur Campus:

- a. To provide Industry experienced course instructor (Faculty) to impart the knowledge on IP Networking and Cyber security, Mobile communications and optical fiber communication to the registered students.
- b. To arrange for on-site(UEM campus) hands-on practical training with required equipments, material and tools for the registered students. Vehicles, logistics and tools for practical sessions should be solely the responsibility of BSNL.
- c. For visit of the students at RTTC/BSNL premises vehicles will be provided by UEM, Jaipur.

- d. To supply course ware in the form of soft copies on all the relevant topics being covered in the course by BSNL.
- e. To market the course on its website and other communications by both parties.
- f. Course duration will be of 16 sessions (Theory + Practical) per certificate course.
- g. BSNL will not bear the responsibility for placement of the students in BSNL or in other company.

If course will conducted at UEM, Jaipur under this MOU-The broad Scope of Work for UEM, Jaipur will be as follows:

- a. To provide the training infrastructure in terms of classrooms (60 students capacity), fully equipped with LCD projector and screen, white board, computer, labs and other associated facilities.
- b. To appoint a nodal officer for smooth conduction of the training.

Work & Responsibility Matrix

S.N.	Description	Responsibility	Comments
1	Provisioning of Course Content	BSNL	BSNL to provide all the course content to the registered students in soft copy.
2	Course Delivery (Trainer)	BSNL	The entire course will be delivered by BSNL
3	Certification	Joint	Certificates will have name and Logo of BSNL and UEM, Jaipur.
4	Students (Trainee)	UEM, Jaipur	UEM, Jaipur will provide students.
6	Infrastructure	Joint	UEM, Jaipur to provide necessary infrastructure – classroom (1 classroom and 2 Lab). BSNL: Tools for practical sessions should be solely the responsibility of BSNL.

General terms and conditions

- a. Placement assistance will be the sole responsibility of UEM, Jaipur. BSNL will in no way be responsible or have any liability on this part. The students should be apprised accordingly in the beginning itself.
- b. Normally the batch size would be 60 for theoretical classes and 30 for practical sessions.
- c. To inform the date of start of batches in consecutive manner at least one week in advance to RTTC, Jaipur so that availability of trainer/ faculty/study material/equipments/tools may be ensured.
- d. The use of BSNL Logo will be done only with the prior consent of BSNL RTTC, Jaipur.

6. Coordinators:

UEM, Jaipur and RTTC shall appoint coordinator in their respective offices who shall be responsible for coordinating all communication and directing the implementation of the MOU.

7. Course Fee

(a) For certificate courses:

Approved Fee Structure is as follows:

Sl.	Number of students	Concessional rate per student
1	Up to 100	Rs. 4000 + 18 %GST(without concession)
2	101 to 200	25% concession
3	201 to 300	30% concession
4	301 to 400	35% concession
5	401 to 500	40% concession
6	501 to 700	45% concession
7	701 to 1000	50% concession

- As per the course requirements some classes may be arranged at UEM, Jaipur and remaining will be at BSNL field units or RTTC, Jaipur.
- The course fees per student per certificate course is Rs.4000+18% GST for 16 sessions (Theory + Practical + on site visit).
- Concession will be applicable if there is more than 100 nos. of students in a particular certificate course i.e. IP Networking and Cyber security, Mobile communications and optical fiber communication.
- Soft copy of the course material will be given to the students.
- UEM, Jaipur will deposit the fee in advance of all the students attending the certificate course and course will start within a week of signing of this MoU.

Fees for internship and industrial visit will be charged separately as per following rates.

(b) For internship

Lecture	Rs. 225 per session + 18% GST
Lab/Site visit	Rs. 300 per session + 18% GST

(c) For Industrial visit

Sr. No.	Type of visit	Rate	Upto 25 Students (No discount)	Students from 26-50 (10 % discount)	Students No. 51 & more than 51(20 % discount)
1	Lab Visit (1/2 Day)	200+ 18% GST	236/- (200+ 18 %GST)	213/- (180+ 18 % GST)	189/- (160+ 18 %GST)
2	Only Theory (60-90 Minutes)	150+ 18 % GST	177/- (150+18 %GST)	160/- (135+ 18 %GST)	142/- (120+ 18 %GST)

The above charges are per person per session/visit.

8. Duration of MOU:

The MOU shall become effective on the date of this document is executed by the authorized officials of both the parties and shall remain in force for a period of three years, and will be reviewed on yearly basis.

9. Termination or Amendment:

Either party may terminate this MOU with a written notification signed by the authorized official of that party initiating the notice, but only after the completion of the course for that batch and before the commencement of the next course. However the other party must receive such notification at least 30 days in advance before the commencement of the next course. Any clause of this MOU may be deleted or revised after mutual consultation and agreement. In the event of any dispute or difference of any kind whatsoever as may arise between the parties in connection with or arising out of this MOU or out of breach, termination or invalidity of the agreement thereof, the parties will resolve by issuing a notice and making attempt to resolve it within a period of 30 days of such incidence.

10. Jurisdiction:

If the dispute cannot be settled by the above process, the courts located in Jaipur could be approached for adjudication.

11. Intellectual Property Rights:

The course material will be developed by BSNL. The dissemination of the material in print and electronic form will also be done by BSNL, wherever required. Accordingly, the copyright as well as IPR of the course and the course material will vest with BSNL.

12. Confidentiality:

The parties agree to keep in the strictest confidence and not disclose to any third party or use for any purpose (other than in connection with this MOU) any Information relating to the other's business which is marked "confidential" or is clearly by its nature confidential without the disclosing party's written consent. Each of the parties may disclose the other's confidential information to their employees, agents, contractors and professional advisors on a need to know basis and to others having a legal right or duty to know that information.

The obligations under this Clause, shall not apply to information which is in or comes into the public domain disclosure or required to be disclosed:

- (i) by official authority in accordance with the applicable laws.
- (ii) has been disclosed pursuant to the requirements of law or court order without restrictions or other protection against public disclosure; provided however that the other party shall have been given a reasonable opportunity to resist disclosure and/or to obtain a suitable protective order.

This clause shall survive the termination or expiry of this Agreement.

13. Limitation of Liabilities:

Under no circumstances shall either party be responsible to the other party, for indirect, incidental, consequential, special or exemplary damages arising from termination of this MOU.

14. Force Majeure:-

Neither UEM, Jaipur nor RTTC, Jaipur shall be liable to each other or to any third party, e.g. their students, for failing or delay in the performance of any of its obligations under this Agreement to the extent such failure or delay is caused by riots, civil commotions, war, hostilities between nations, government laws, orders or regulations, embargos actions by the government or any agency thereof, acts of God, storms, fires, accidents, strikes, sabotages, explosions or other similar or different contingencies beyond the reasonable control of the respective parties. Either party shall inform the other party of such happenings within fifteen calendar days from the date of such occurrence that may impact activities under this MOU.

15. Further Acts and Assurances:

Each of the parties agrees to execute and deliver all such further instruments and to do and perform all such further acts and things, as shall be necessary and required to carry out the provisions of this Understanding and to consummate the transactions contemplated hereby.

Further, unless otherwise agreed, each party shall be responsible for its own expenses incurred due to the performance under this MOU.
